## **Donation to the Areas Devastated by the Tohoku-Pacific Ocean Earthquake**

We would like to extend our heartfelt sympathy to all the victims of the Tohoku-Pacific Ocean Earthquake that took place on March 11, 2011.

NOK Corporation hereby announces that it has decided to donate a total of 150 million yen for the relief of the victims and the recovery of the devastated areas.

Some of the sites of the NOK Group have also suffered damage due to the large earthquake and we are now making all-out efforts to normalize the situation. In order to contribute to rebuilding the lives of local people who have suffered damage in the areas in which our sites are located, we will make the aforementioned donation to Fukushima, Ibaraki, Miyagi and Iwate Prefectures as well as to the municipalities in which the Group sites are located.

From the bottom of our hearts, we pray for the earliest possible recovery of the devastated areas.
