

NOK Marked the 80th Anniversary of Its Foundation

NOK CORPORATION (Head office: 1-12-15 Shibadaimon, Minato-ku, Tokyo, Japan) celebrated its 80th anniversary on July 9, 2021. We would like to extend our sincere gratitude to all our customers, stakeholders, shareholders, suppliers, local communities, and our employees, for their support to date.

NOK was founded in Kobe as Japan's first oil seal manufacturer in 1941. NOK has been operating its business to pursue its dreams in an ambitious manner to become a company that all our stakeholders can take pride in.

Towards our 100th anniversary in 2041, we will address social challenges, provide beneficial products backed by our technologies, and contribute to the realization of a sustainable society. We will continue to pass on our dreams to future generations.

Your continued support will be greatly appreciated.

80th Anniversary Main Initiatives

1. 80th Anniversary Signature

We created the 80th anniversary signature. The silhouette of 80 of the signature expresses a rainbow bridge to the future and the path of value creation reflected on the surface of the water.

2. 80th Anniversary Website (<https://www.nok.co.jp/80th/>)

If you click the above URL or the image appeared on the top page of NOK corporate site, you can find our 80th anniversary website. There are NOK's history movie, Thanks movie from our employees to our stakeholders and so on. Please take a look our 80th anniversary website.
