Notice of System Failure Due to Unauthorized Access (1st Report)

NOK Corporation confirmed that our server has been illegally accessed by an unauthorized third party, causing a system failure. We would like to express our deepest apologies for the inconvenience and concern this has caused to all concerned.

1. Background

We have confirmed that our server was illegally accessed by an unauthorized third party before dawn on Tuesday, December 21. We immediately blocked all external communications, and are currently investigating the intrusion route and discussing measures to prevent further damage with the relevant authorities.

2. Scope of influence of system failure

We are currently investigating.

3. Future actions

We will post an update on our website as soon as we know the status as the investigation progresses.
