

Selected for Five Consecutive Years as a Constituent of the FTSE4Good Index Series and FTSE Blossom Japan Index World-Leading ESG Investment Indices

NOK Corporation (Headquarters: Shibadaimon, Minato-ku, Tokyo; Representative Director, Group Chief Executive Officer: Masao Tsuru; hereinafter referred to as "NOK") has been selected as a constituent for the world-leading ESG investment indices FTSE4Good Index Series and the FTSE Blossom Japan Index for five consecutive years. NOK has also continued to be selected for the FTSE Blossom Japan Sector Relative Index since 2022, designed using an industry-neutral or sector-neutral approach to minimize industry or sector bias.

The FTSE4Good Index Series, FTSE Blossom Japan Index, and FTSE Blossom Japan Sector Relative Index are indices created by the FTSE Russell Group of the London Stock Exchange Group to measure the performance of companies demonstrating excellent responses to environmental, social, and governance (ESG) issues. All indices are widely used for creating and evaluating sustainable investment funds and other financial products.

NOK is engaged in "Essential Core Manufacturing - The manufacture of pivotal products that shape society" and is expanding its sustainability initiatives on a global scale. On July 19, NOK published its [ESG Data Book 2024](#) (English version to be published in August), which includes expanded data on human capital, third-party verification of environmental information, and the tax policy formulated for FY2024.

NOK Group will continue to tackle global environmental and social challenges, leveraging its intrinsic value to foster a better society through continuous sustainability efforts.
